

Magnetic Tablet Wall Mount

Dock or un-dock your device instantly, then slip it into your favorite carrying case. With built in charging, the ability to mount it at any angle, cosmetics that match the homes decor, only 1/4" thick, and rigid construction...the S-Mount is the perfect solution for all of your storage and charging needs.

The custom rubber surface keeps the tablet from sliding and protects the surface.

The microUSB port allows charging of ANY tablet

Only 1/4" thin, the tablet looks like it is attached directly to the wall

A slim metal pad attaches to the rear of the tablet

S-Mount

- Use any make, model, or size of tablet
- Continue to use you favorite case
- Built-in charging port
- Looks like a normal wall plate
- only 1/4" thick
- Easy installation
- Cost effective solution for home control
